

Connect Error on App

Some users have had an issue getting a connection error.

If you get an error then click the Blue Help at top.

The screenshot shows the 'Student Sign In' app interface. At the top, the status bar displays 'AT&T LTE', '2:36 PM', and '98%' battery. The app header has 'Student Sign In' in white and a blue 'Help' link on the right. Below the header, the 'District Code' section shows four input boxes containing 'M', 'C', 'J', and 'P', followed by a green checkmark. A red arrow points to the 'Help' link, and another red arrow points to the 'District Code' label. Below this is a blue link 'Where is my district code?'. Underneath are two stacked input fields for 'Username' and 'Password'. At the bottom is a large blue 'Sign In' button.

After tapping the blue help link you will tap Search for District:

Now Tap Search for Your District

Locate your district code on the bottom left corner of the navigation menu on the PowerSchool public portal.

Frequently Asked Questions

If the district code does not display on the PowerSchool public portal, tap Search for Your District button below to locate your district and sign in to PowerSchool.

[Search for Your District](#)

Next enter the following server address:

<https://school.maclay.org>

●●●●○ AT&T LTE 2:50 PM 100%

[Back](#) Search for PowerSchool

District Name

School Name

Search

Or

PowerSchool Server Address

Submit

Now you are ready to login and should not receive any connection errors:
