MISSION

We are an independent, non-sectarian college preparatory school dedicated to providing a liberal arts education, enabling each student to develop inherent ability to the fullest extent with a balance of discipline and freedom.

HISTORY

MacLay School was founded in 1968 by a group of parents who wished to provide their children with educational resources that would enable each student to develop to the fullest-academically, morally, emotionally, and physically. Originally called Capital City Day School, the school was renamed in honor of Alfred Barmore MacLay, Jr., a World War II veteran who died of polio in 1953. Over the years, Mr. and Mrs. John W. Mettler, cousins of Alfred MacLay, generously donated the land upon which the school is situated, which was formally known as Andalusia Plantation. During MacLay's first-year, a nine-member faculty taught grades 1-8. Each year following, one grade level was added until the first class graduated in 1973.

PHILOSOPHY

MacLay School supports its students in fulfilling their potential academically, emotionally, physically, and artistically.

MacLay's purposes are

- ▶ to teach liberal arts creatively.
- ▶ to create a civilized community of learning guided by a dedicated faculty of superior qualifications.
- ▶ to provide patient and understanding ways to challenge each student.
- ▶ to engender, by teaching and example, self-discipline, hard work, integrity, and persistence at school and at home.
- ▶ to stimulate each student to inquire, learn, recognize obligations, develop self-respect, and understand others.
- ▶ to build a meaningful spirit among students, parents, faculty, and community by faithful fulfillment of the MacLay School Mission and Philosophy.
- ▶ to meet with wisdom and fortitude the future challenges of higher education, service to others, and life.
